Katie Kinkel

AI-fluent QA & operations generalist

katiekinkel.com · ktkinkel@gmail.com

Personable, motivated problem-solver who resolves issues with grace. After Spotify Creative Support and QA Buddy work, deepened fluency with AI tools for virtually every organizational skill companies need — always with a human QA pass before anything ships.

EXPERIENCE

AI-augmented generalist
2022 – Present

Independent · Remote / Savannah area

Uses Cursor, GitHub Copilot, and ChatGPT for research, drafting, QA, prototyping, and operations. Builds websites, writes association minutes, supports community and caretaking workflows, and treats human review as the quality gate on every deliverable.

Creative Support / QA Buddy
2019 – 2022

24-7 Intouch / Spotify · Phoenix, AZ

Started on @SpotifyCares (Khoros), promoted to Creative Support L3 (Salesforce), then QA Buddy. Ran LIO & Marquee ROTAs, built and maintained the CrS Phoenix Hub, gave Guru process feedback, and performed QA audits, alignments, and nesting assistance.

Independent Tutor
2015 – 2018

Odyssey Services / independent · AZ / NV / UT

Tutored students K–college across subjects while following IEPs. Held tutoring certifications for Arizona, Nevada, and Utah.

Credit Card Fraud Specialist
2009 – 2010

J.P. Morgan Chase · Arizona

Inbound/outbound fraud calls with secure data access. Promoted to L2, created procedural quick-sheets for the floor, beta-tested in-house software, averaged ~125% of quota.

Seasonal Ticket Sales
2001 – 2002

Pittsburgh Symphony Orchestra · Pittsburgh, PA

Scripted cold outbound calls to past seasonal-ticket subscribers. Hourly plus commission sales downtown.

EDUCATION

The Atlanta Art Institute
2002 – 2006

Media Arts and Animation

ALSO

Arizona Friends of Homeless · 2017 –

Outreach coordinator, Facebook & tech admin, event planning, resource lists.

Harkins Theatres · 2018

Online ticketing stress testing and feedback for seating-chart UX.

SNESology · 2011 – 2013

Created and maintained social media for a themed musical project / blog.

TOOLS & MODELS

Surfaces: Cursor · Copilot · ChatGPT. Families: GPT · Codex · Claude Opus · Claude Sonnet · Claude Fable · Claude Haiku · Gemini · Grok · Composer. Versions rotate; human QA does not.
