Katie Kinkel

AI QA, Evaluation & Operations Specialist

katiekinkel.com · ktkinkel@gmail.com · LinkedIn

Available: Remote · Part-time · Contract · AI evaluation / QA / operations

AI generates; Katie evaluates, corrects, organizes, and ships. Human-in-the-loop review is the quality gate.

FOCUS

- LLM evaluation: instruction following, factual accuracy, completeness, tone, formatting, hallucinations, edge cases, multi-output comparison
- Human-in-the-loop QA on AI drafts before anything ships
- AI-assisted operations: minutes, trackers, briefs, research, prototypes

SELECTED EXPERIENCE

Independent AI QA & Evaluation Specialist · Remote · 2022 – Present

- Evaluates model output with rubrics; designs draft→review workflows in Cursor, Copilot, and ChatGPT.
- Turns messy notes into verified minutes, action trackers, and stakeholder-ready docs.

Creative Support / QA Buddy · 24-7 Intouch / Spotify · 2019 – 2022

- QA audits, alignments, nesting assistance, Guru process feedback; LIO & Marquee ROTAs; maintained CrS Phoenix Hub.
- 3+ years Spotify support program via 24-7 Intouch (Creative Support L3 → QA Buddy).

Credit Card Fraud Specialist · J.P. Morgan Chase · 2009 – 2010

- Promoted to L2; procedural quick-sheets; averaged ~125% of quota.

TOOLS (FAMILIES)

Surfaces: Cursor · Copilot · ChatGPT. Families: GPT · Claude · Gemini · Grok · Codex · Composer. Versions rotate; human QA does not.
